OPERATION RICE BOWL

Most of us have clean water whenever we want it. **Ciro** didn't have this experience. He and his neighbors in rural Guatemala had to carry water for miles to meet their village's needs. With the help of Catholic Relief Services, they were able to construct a water supply system. Disease abated as new sanitation made their village a healthier place to live. God formed **Ciro**, his neighbors and all of us and infused us with the breath of life. Your involvement in Operation Rice Bowl will help sustain that life, in ways as simple as making clean water accessible. CRS strives to be a responsible steward of creation while pursuing sustainable development. Dirty water, deforestation and pollution don't contribute to a healthier future. **Please return your rice bowls at 7:00 PM Mass on Holy Thursday.**

Stewardship/
Other

The American Cancer Society's King County Unit is seeking new members for its **Road to Recovery** program. This is a group of volunteers who drive cancer patients to and from medical facilities for life-saving treatments. The schedules are flexible. If you have a car and can spare as little as one morning or afternoon a month to help somebody along the Road to Recovery, call Amber Cook, 425-322-1140. Somebody needs you. Reimbursement of \$0.35 per mile is available for volunteers.
