Parish History Book Available

St. Anne Parish: A Light on the Hill for 100 Years

A new hard copy edition of our parish's 100 year history is now available!

Adapted from the bulletin inserts published for our Centennial Year Celebration, the 94 page book also includes a timeline showing parish history alongside local and world events of the day. Also included are "Photos from Our Parish Family Album", parishioner profiles from the *St. Anne Herald* newsletter, a list of pastors, priests and assistants who have served at the parish throughout its history, and a listing of the many priests and women religious that St. Anne Parish has produced.

A limited number of the books are available. The cost is \$25; the books are available after Mass or through the Parish Office.

Palm Sunday

The story of the anointing of Jesus is one of the few stories that appears in all four Gospels. As people begin to grumble about the cost and waste of the perfume, Jesus responds: "You always have the poor with you and any time you want to you can do something good for them." As we continue our Operation Rice Bowl journey let us remember in prayer that we are one human family, regardless of our differences. Answering the call to love our neighbors will promote a culture of respect and lead to peace in our own community. May our fasting keep us mindful of the families and communities that are hungry. **Please bring your Operation Rice Bowl donations to Mass on Holy Thursday.**

Healthy mind, body and spirit

Our group offers support for individuals and their families suffering depression or anxiety. Sometimes it helps just to talk. We are very good listeners. There are no fees and no commitment. We get together and share, pray and learn we are not alone.

Join us in the Assembly Room, **April 7 and 21** for our next gatherings, **7 – 8:30 pm**. This is a Spiritual based support group, all are welcome. Call or email Jane if you have any questions. 206-282-9892 or jlarson@iinet.com

by April 22nd

Facility Focus:

A new look arrived last week as the south side of the school playground was hydroseeded to match the grass on the south side of the convent. Thank you again to our anonymous donor. Our marvelous volunteer, Cedric, spent 3 arduous days minimizing the overgrown bushes and raking out debris from years of inattention on the west side of the playground. Once we get the powerwashing of the walls and sidewalks done, we'll prepare for the north and east side of the school parking strip project which is still in the planning stage for this summer.

Blessings,

Rich Santi, Pastoral Assistant for Administration

P.S. Our new tabernacle and base are now ready for you to view in the Eucharistic Chapel. Wow...

April is Child Abuse Prevention

Month - It is appropriate that Child Abuse Prevention Month occurs during the Easter Season. There is no better time to celebrate the protection of our most valuable gift from God - our children. Child abuse affects not only our Church but the entire community. One in every four girls and one in every five boys are sexually abused before the age of 18; 90% of those victims are abused by someone they know. Although we would like to think abuse only happens to "other people," the reality is most of us know someone affected by this tragedy. Throughout the month of April, you will find information and resources each week in the bulletin and we will pray together for the eradication of child abuse. For more information about prevention go to www.seattlearch.org/sep.

Parish & School Life

Gardeners for the Church

We would like to plant bulbs in the courtyard garden. The flowers would be used for the church environment. We have the bulbs, we just need the gardeners to make it happen. We are looking for 2 or 3 people who can do the planting and oversee the garden. Please call the parish office if you can make a weekly commitment of 30 - 45 minutes.

SCHOOL DAYS:

Continuing the Works. The third grade class incorporated the celebration of the Year of St. Paul with Visiting Prisoners in the weekly assembly mediation of the corporal works of mercy. After telling the story from the Acts of the Apostles of Paul's imprisonment, students told ways they have shared God's love with those who have caused them sadness or hurt.

Honors. At the March 26 school Mass, five 7th graders were recognized for exceptional achievements in one of the four Student Learning Expectations. Best wishes for continued growth to Tim Prusa and Max Hanson who received the award for Active Persons of Faith, Madison Miller for Lifelong Learner, George Sarantinos for Well-Balanced Person and Ryan Doerfler for Globally Aware Person. .

Get out the Brooms. The 5th grade girls volleyball team coached by St. Anne graduate and Seattle Prep sophomore, Lexi Doerfler, won two matches last weekend to complete an undefeated season. The girls were also undefeated in soccer and basketball. Can you say, "Juggernaut"?

More Volleyball. The 6th, 7th and 8th grade girls won their last matches and the 6th graders are headed to the play-offs.
