### Sixth Sunday of Easter

(Living from Love )

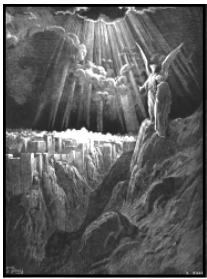

May 17, 2009

**Reading I:** Acts 1:25-26, 34-35, 44-48  
(God Shows No Partiality)  
**Reading II:** 1 John 4:7-10 (God Is Love)  
**Gospel:** John 15:9-17 (Love One Another)

*Adults: How deeply do I understand (and live) the connection between self-sacrifice and love in its most pure form?*

*Children: What is one specific thing I can do this week to follow Jesus' command that we should love one another?*

*The Book of  
Revelation  
a message of hope  
for a world falling apart*

A five week series beginning  
**Thursday, May 21**  
7:00 pm in the Assembly Room

Wars...diseases...earthquakes...economic collapse...  
Signs of the end of the world? — or just the 21st Century?

Many people think that the Book of Revelation was written to foretell the End Times. But it was really written to bring a message of hope to people facing overwhelming challenges in their society and their world.

Today, as our world faces challenges of cosmic proportion, Revelation still speaks a message of hope. Join Ron Ryan for this study of a Catholic interpretation of the Book of Revelation, and let it help you make sense out of a world that seems to be falling apart.

Everyone is welcome. There is no registration or fee.

**RCIA :**  
for those interested  
in becoming  
**CATHOLIC**

Are you—or is someone you know—interested in learning about what is involved in becoming Catholic? RCIA is the process the Catholic Church uses to help those who have never been baptized, and those who have been baptized in other Christian traditions, discern their call to become a member of the Catholic Church. The group meets throughout the year to learn about Catholic teaching, traditions, prayer and life. RCIA is not a course or program, but rather a process where participants can openly ask questions and explore specific areas. For further information call Ron Ryan or email at rryan@stanneseattle.org.

Dear Ron,

On behalf of Catholic Relief Services, we are very thankful for your parish community's prayerful participation in Operation Rice Bowl. Your generous support of \$3,466.40 will make a concrete difference in the lives of the poor . 75% of Operation Rice Bowl contributions will go to Catholic Relief Services and support development projects to help people all around the world who struggle with the burdens of hunger and poverty. 25% of your contributions raised will remain here in Washington, and will help fund hunger and poverty alleviation programs that assist people in our own local communities.

In God's peace,  
*J.L. Drouhard*  
*Archdiocesan Director, Missions Office*

**Parish Vision & Mission Statements**

Last week the committee which has been working on developing our Parish Mission and Vision Statements presented their final draft to the Pastoral Council. These statements are the results of ten months of work, beginning with the series of Candid Conversations meetings, Conversation Cafés, consultation with the councils and commissions, and opportunities for comment and input from all parishioners. The following statements have been adopted, and will serve as the basis for the development of a new Five Year Plan.

The Mission Statement is a concise expression of our understanding of what we are called to do as a community.

**Mission Statement**

***Ignited by the Eucharist to love and serve,  
we—the members of St. Anne Catholic Parish—  
are committed to live out the Gospel as listeners, learners and leaders.  
We accept Christ's mission to transform the world,  
now and for future generations.***

The Vision Statement is an imaginative description of what we want our community to look like in the years ahead. The Vision Statement is used by parish leadership groups to help them set goals and plan for the future.

**Vision Statement**

*St. Anne Parish is a welcoming community called to continue the mission of Jesus Christ. Parishioners of all ages and diverse backgrounds are actively sharing God's love in the world through our actions within our family, work, and society. Our collective effort helps create a more caring community.*

*We actively pray together, in full assembly and recognize God's presence among us. We celebrate and deepen our relationship with God by fully engaging in the liturgy and in life-long faith formation opportunities. This community accepts the responsibility for passing on this gift of faith to our children, teenagers and young adults.*

*As an important ministry of the parish, St. Anne School continues its commitment to educating the whole child—strengthening Catholic values while pursuing educational excellence. Our young people are prepared to live as caring and contributing members of society.*

*St. Anne Parish passionately works to do justice and promote peace. We actively engage our neighbors, collaborate with other faith communities and reach out to other organizations to address local and global needs. Motivated by our love of God and neighbor, we aspire to make a difference in our society, and to make the world a better place.*

Reception following at Banchemo Hall

Thank you St. Anne parishioners, parents and friends for your support of the Cirque de St. Anne auction! You helped continue the academic success and future of our beloved school including the purchase of two new laptop carts with 50 computers total for use throughout the school.

Hats off to the Co-Chairs, Trish Anderson, Stephanie Benjamin, Julie Makin, and Lori Moriarty for their hard work and dedication and to all volunteers who helped put on the Greatest Show on Earth!

We look forward to seeing you at next year's auction set for April 30th and May 1st. We are sure to have a lot of fun with our *Mama Mia* theme!

## SCHOOL DAYS:

**The month of Mary and of mothers-Part II.** Last week the kindergarten class told qualities that made their mothers special. This Monday, first graders each picked one thing their mothers did the best. "Takes care of me" and "Gives hugs" received a number of mentions but the most frequent was, "Helps clean up my room."

**Speaking of mothers, Fr. Bowman...** Overheard at the Monday morning assembly, a mom who took a lesson from Father's weekend homily and decided to try Mrs. Bowman's practice of having her children make their own lunches. She liked it a lot.

**It's not too late.** If you didn't get a chance to see the art work created by each class for the auction or if you were outbid for the original works, you have another chance. All of the works have been stunningly reproduced in the **St. Anne 2009-2010 Datebook**. Significant dates are highlighted and there's plenty of room for calendar notes. Gorgeous, practical and only \$15.00. Available by the Assembly Room after Mass or through the school office.
