*The Book of  
**Revelation**  
a message of hope  
for a world falling apart*

Continues this

**Thursday, May 28**

7:00 pm in the Assembly Room

Wars...diseases...earthquakes...economic collapse...  
Signs of the end of the world? — or just the 21st Century?

Many people think that the Book of Revelation was written to foretell the End Times. But it was really written to bring a message of hope to people facing overwhelming challenges in their society and their world.

Today, as our world faces challenges of cosmic proportion, Revelation still speaks a message of hope. Join Ron Ryan for this study of a Catholic interpretation of the Book of Revelation, and let it help you make sense out of a world that seems to be falling apart.

Everyone is welcome. There is no registration or fee.

**RCIA :**  
for those interested  
in becoming  
**CATHOLIC**

Are you—or is someone you know—interested in learning about what is involved in becoming Catholic? RCIA is the process the Catholic Church uses to help those who have never been baptized, and those who have been baptized in other Christian traditions, discern their call to become a member of the Catholic Church. The group meets throughout the year to learn about Catholic teaching, traditions, prayer and life. RCIA is not a course or program, but rather a process where participants can openly ask questions and explore specific areas. For further information call Ron Ryan or email at rryan@stanneseattle.org.

**“I was in prison and you came to visit me...” (Matt 25:36)**

**SCHOOL DAYS:**

**Big Finish.** The weather wasn't the only thing that was hot as the St. Anne track team closed out the CYO sports year. Among the 30 schools competing, the team accumulated 10 first place finishes and a bushel basket of 2<sup>nd</sup> through 8<sup>th</sup> place honors. School records were set by Marco Rivamonte in the 3<sup>rd</sup> grade boys mile, Tim Prusa in the high jump and Joey Bosserman in the girls mile. Congratulations to all the team members and high-fives to Coach Ben Sauvage.

**Big Thanks.** Many individuals and organizations were acknowledged and thanked during Catholic Schools Week in February. The one group not on that schedule was teachers! Why? Could we squeeze all our appreciation into a day? Actually, it won't even fit into a week but students tried. May 18-22 was Teacher (and school staff) Appreciation Week.
