Happy 2nd Week of Lent

We light the second candle seeking to grow in faith. The #Pray25 Challenge is an awesome way to ignite your prayer life and bring you into community with thousands around the world to pray and meditate on the birth of Jesus. This year, we will be seeing Advent through the eyes of Mary. As the mother of Jesus, she has a special place in the story of his birth at Christmas. Remembering and Supporting the Houseless

Martha's Workers has been making sandwiches for our homeless neighbors for the last 30 years. While there are currently enough volunteers to help make sandwiches, there is still a great need for supplies. The Social Justice Commission monitors social needs and recommends ways in which our parish can address those needs. This winter, Martha's Workers and the Social Justice Commission are joining to support the houseless. All items can be placed in the baskets at the north and south entrances. You may also contribute monetary donations.

St. Anne Giving Tree

This year, the Giving Tree will be sponsored by the Young Adults. The Giving Tree will benefit St. Anne Parish St. Vincent de Paul Society, Queen Anne Helpline, Queen Anne Food Bank, and Mary's Place. You are invited to select an ornament(s) from the tree and return your gift & tag to St. Anne Parish Office or under the tree.

If you have questions, please contact the parish office or Jess, jessmelchor28@gmail.com.

Pre-K & Kindergarten Information Night

If you have a child who will be starting Pre-K or Kindergarten for the 2022-2023 school year, the school is hosting a Pre-K and Kindergarten Information Night on January 27th at 6:30 pm in Banchero Hall. In addition to the Information Night there will also be an Open House on January 30th from 11:30am -1:00 pm.. Child care is not provided at the Information Night however families are welcome to attend the Open House. If you have questions please email Jennifer Hazzard, jhazzard@stannesea.org.

Hungry for the Eucharist?

Are you or do you know someone who wants to receive the Eucharist, but is unable to attend mass? Archbishop Etienne remind us in his letter reinstating the obligation to attend mass that "those who have a serious reason are excused from attending Mass on Sundays and holy days of obligation (Catechism of the Catholic Church, 2181). This includes those who are ill, have significant health risk factors or care for someone who is ill or immunocompromised, as well as those who have significant fear or anxiety about contracting COVID in a large group." Volunteer Opportunities

We have new volunteer opportunities: Eucharistic Ministers to the Homebound and Coffee & Donuts. Signing up doesn't commit you for life! As more and more people are returning to Mass, it would be wonderful to have more volunteers at Mass and parish ministries. Try out something new by signing up below – someone will reach out to you soon.

school news

Reported by Carol Yund

Take Courage John 16:33

It's back. Every year, Principal Mrs. Mary Sherman celebrates the feast of St. Nicholas (Dec. 6). The occasion starts with a blessing of a giant bowl of candy canes. Mrs. Sherman then visits each class, reads a story and hands out the canes --impractical on a Zoom call but a happy holiday welcome in person.

Mrs. Sherman was able to clear her calendar for the event by turning her responsibilities over to Principals for a Day, Ms. Charlotte Fourcin and Ms. Camille Fourcin. They opened their day by declaring Friday a free dress day and subsequently putting up reminder posters they had made. They were also stepping in as recess overseers for at least one recess (maybe all three) and perhaps checking in on a class or two. In their non-principal time, 5th grader Ms. Charlotte likes social studies and savors the challenge of being a soccer goalie. Ms. Camille (3rd grade) is a gymnast whose specialty is cartwheels. She likes writing and there is a whisper she is working on a fairy tale called "A world you never believe" (working title).

Half-back. The individual parts of the much admired all-school Christmas Pageant are prepared but because of Covid will only be presented as a whole once—and with no audience. Technicians are working on a video presentation available to all.
