First Sunday of Lent

Hebrews 13:1-2 Keep on loving one another as brothers and sisters. Do not forget to show hospitality to strangers, for by so doing some people have shown hospitality to angels without knowing it.

As we continue to build our sense of community and belonging, we invite you to participate in First Sundays! Every first Sunday of the month we will provide name tags for you to fill out as you enter church. As we continue to return to in-person Mass, we want to foster friendship new and old! Building relationships rooted in faith and our love for Jesus is a beautiful experience.

Coffee and donuts will be in full swing after 10am Mass and we will have Lenten coloring and activity pages for the kids. We look forward to gathering with you!

Catholic Home Mission

Support the Catholic Home Missions Appeal today! Nearly 40% of dioceses in the United States and its territories are considered mission territories because they are unable to find essential pastoral activities needed in their communities.

Your support funds religious education, seminary formation, lay ministry training, and other programs that build vibrant faith communities right here in the United States. <https://bit.ly/3tLCmN4>

Latest News

Coffee and Donuts

Unlike previous years, this year coffee and donuts are 100% supported by your donations. Each week we would like to get enough in donations to cover the cost of the donuts, but we are falling short. On average we only cover about 1/2 the cost. So if you enjoy coffee and donuts, and would like it to continue each week, please show your support with a financial contribution. Look for the "Donations" jar when you arrive for coffee and donuts.

If you are unable to provide a financial contribution, no worries, because we are also looking for contributions of time!! We need volunteers to help with setup and cleanup. It's quite easy and fun, so please consider volunteering. You will be trained and supported.

Support Ukraine

A special collection was taken up on Ash Wednesday as a direct response to the humanitarian crisis surrounding Ukraine. You may still donate. <https://bit.ly/345sjIz>

Children's Prayer Intention Cards

Lent is a time of prayer for all, and we invite your children to offer their prayers, thoughts and art to God.

Every Sunday during Lent, we will provide Prayer Intention Cards for children and youth. They can draw pictures, write thoughtful words and prayers each week and drop them in the offertory baskets as they are passed around. These prayer intentions will be cared for and prayed over by various groups here at St. Anne.

This is a wonderful opportunity for you to encourage and teach your children about the importance and beauty of prayer, and how it helps bring us closer to God. In fact, there is no age limit, as we are all children of God.

Prayer intention cards will be available at the main entrance, as well as in the pews. We will have some packs of crayons on hand for families to borrow, but please bring colored pencils or crayons for your children to use.

Registration of Synod Listening Sessions

Registration for Synod listening sessions is open! You can now sign up for a listening session via the flocknote email that was sent out.

We are seeking volunteers to facilitate or take notes for the listening sessions. Would you prayerfully consider being a facilitator or note-taker for the Synodal process? Please contact Rebecca Cortes for details at synod@stanneseattle.org.

school news

Take Courage John 16:33

Back again. Students were back from their winter break on Monday, Feb. 28. The first significant event was the opening of the Lenten season at the Ash Wednesday school Mass. Lenten observances are being planned and will be announced this week.

The middle school Social Justice Committee study/discussion subject for March is Women's Rights.

Covid limitations are still much in effect including group singing. Music teacher Ms. Anna Vizzare still sings the St. Anne hymn at Assembly to humming by the student body. We are fortunate to also have her accompanied on violin by Zoë Onwuneme and on piano by Cecilia Alvarez. Both are 8th graders.

Also on the student music scene, attendees at coffee-and-donuts last Sunday were treated to a series of popular tunes played with both skill and energy by St. Anne 4th grader, John Holtzclaw.
