Conclusion of Alpha for Staff and Ministry Leaders

Alpha is a course that invites people who are curious about Christianity into a loving Christian community such as our parish by share a meal, watch a video and have conversations. Anyone can benefit from Alpha, including life long Catholics because it's about relationships. Alpha creates an environment for people to connect, have fun, ask questions, feel loved, understood and to know that they belong. Staff and ministry leaders recently concluded the Alpha course as an opportunity to live first hand what will be opened to our entire parish later this fall. We all have friends who we want to share our faith with, but mass isn't necessarily the first place to bring them. Alpha is a wonderful place of welcome and we can't wait for you and your friends to share in this together. Find out more about alpha at alphausa.org.

Thank you for your soup donations!

The St. Anne young adults group would like to thank you all for your wonderful generosity this Lenten season in donating cans of soup to those who are hungry in our Queen Anne community. We are always grateful for the love and generous spirit of our community.
