

GUIDE ME IN YOUR TRUTH AND TEACH ME - PSALM 25

A Message from Principal Austin

We are looking forward to the launch of our 2024-25 school year!

We can't wait for the students to be back in the school building! Each year offers us new opportunities and fresh starts for our learning and growth! The diversity of our learners is broad, complex and wonderful. Working together we can create a positive, inclusive environment for all. And as we cultivate this strong school community, listening and communicating will serve as powerful tools. Our school mission statement reminds us of the work we will do this year. The staff at St. Anne School is excited to be part of this important, mission driven work.

Our Mission

The mission of St. Anne School, in partnership with parents and the parish family, is to provide a quality Catholic education that promotes educational excellence, fosters the living of Gospel values, builds Christian community and inspires compassionate service.
