2024 - 2025 INITIATIVE

Every six years, the school begins anew the school accreditation cycle. This year we will be spending the year in a self-study where we examine how we meet the standards for an effective Catholic school as outlined in the NSBECS (National Standards and Benchmarks for Effective Catholic Elementary and Secondary Schools).

You can look forward to hearing more about our work and there will be opportunities to give input and perspective on our school programs. Our report writing and goal setting will culminate in a three day site visit by an accreditation team on Nov. 4-6, 2025.

GRATITUDE!

- Thank you to Edna Maddalena, Kathleen Gallagher and Shelly Carroll for setting up and hosting the back to school Garden Party for new student parents!
- This summer saw the usual cleaning up of the building and grounds. But we also had the installation of AC units in our Server Room, 2nd grade and 3rd grade classroom; some updates to our masonry and attention to drainage issues. Thank you to Heti Lemalu and Cletus Skrabak for going above and beyond to care for our school facility.
- Thank you to our remarkable school staff who are tireless in their work to provide an amazing educational program for our students. We are excited by the work we will be doing this year to promote growth and learning.

EMPOWERING A NEW CENTURY OF FAITH, LEARNING & SERVICE
