

Guide me in your truth and teach me - Psalm 25

PRAYER ASSEMBLY

The Middle School Spirit Elective team led our Prayer Assembly this week with a message about the unwavering strength of God's love in our lives. And all our students can lean into this as they engage in working hard and learning here at school.

MOVE A THON!

It was a rainbow of colors that filled the gym as 8th graders led the warm up to this year's Move-a-Thon. Thank you to all the volunteers who came out and helped with logistics. And thank you to all the parents who came out, lined the course and cheered on all the students. Over the next week students will finish getting their donations from family and friends turned in and we will announce the results at our Prayer Assembly on October 28! Stay tuned!

STUDENT LEARNING EXPECTATION WINNERS

We had our first SLE drawing of the year at Prayer Assembly last week! To support awareness of our Student Learning Expectations (SLEs), each month we have a drawing for students to receive a pizza lunch with the principal and vice principal.

Throughout the month teachers submit a student name for a specific SLE when they observe them doing something that exhibits an SLE quality. At Prayer Assembly, we take all the submissions that were collected throughout the month, draw four names and announce the winners. And all the students were from the first grade! Congratulations and thank you to the first grade for being such great leaders!
