

# STAY CONNECTED WITH QR CODES!

QUICK, EASY AND SECURE WAYS TO GIVE,  
REGISTER, AND RSVP USING YOUR PHONE

## what is a QR code?

01

A QR code (Quick Response) code is a square image that your phone camera can scan. It opens a website instantly - no typing needed! Here is an example - check out the parish family news!

## how to use it:

1. Open your phone's camera app
2. Point it at the QR code
3. Tap the link that pops up
4. Done!

02

*Don't see a link? Download a free QR code scanner from your app store.*

## ways to use QR codes in our Parish Family

03

- Give online with PushPay by using the QR codes listed on our pew cards to donate securely and quickly. Your gifts support our parishes and are automatically recorded for ease of administration function.
- You can use them to register as a Parishioner via our online forms
- RSVP to events like the Parish Picnic - help us plan for food and more!

## best practices

- only scan codes from **trusted sources** (like our parish family)
- double check the webpage before entering personal information
- save important pages for later (like recurring giving links)
