

PRAYERS OF THE FAITHFUL
October 11 -12, Twenty-Eighth Sunday in Ordinary Time

For our church: that all of us – leaders and disciples – will heed the call of Pope Leo, our spiritual leader, and advocate for the health of our planet.
Abba, our Father, we pray.

That all nations and their leaders accept the saving power of the Lord.
Abba, our Father, we pray.

We ask your special blessings on the listening session being held this week at Our Lady of Fatima church. May the members of that church generously participate in this opportunity. Help us all to carefully listen to one another since we all belong to you. **Abba, our Father, we pray.**

That we may celebrate and support all the good things that our nation's cities provide for their communities. **Abba, our Father, we pray.**

Loving God, we pray for all those who are suffering from the anxiety and confusion of dementia, Alzheimer's and other related diseases. Bring them comfort and peace. We pray also for those who are their caregivers. Give them patience, sufficient strength and mercy as they care for their loved ones. **Abba, our Father, we pray.**

For all those who have died, grant them eternal rest. We also lift up to you, Father, all of the prayers of the people in our parish family community. **Abba, our Father, we pray.**
