

PRAYERS OF THE FAITHFUL
October 4 - 5, Twenty-Seventh Sunday in Ordinary Time

For our Church: may we work together with believers in different religious traditions to defend and promote peace, justice and human kinship. **Lord of all faithfulness, we pray.**

For the nations of the world, that the justice of God, triumphs over tyranny and discord. **Lord of all faithfulness, we pray.**

As the summer draws to a close, let us give thanks for all that we have been given and be moved to share our abundance with those in need. **Lord of all faithfulness, we pray.**

We ask your special blessings on the listening sessions being held this week at the Sacred Heart of Jesus and St. Anne's churches. May the members of these churches generously participate in this opportunity. Help us all to carefully listen to one another since we all belong to you. **Lord of all faithfulness, we pray.**

Help us to wait for the light of your justice which will surely come – it will not be late. **Lord of all faithfulness, we pray.**

For the sick, for those who have died, and for all the prayers of our parish family. **Lord of all faithfulness, we pray.**
