OUR BOOKS

***Waiting Well* by Fr. Mike Schmitz**

Paired with a free video series, this book includes reflections that follow the videos each week, as well as opportunities to journal. Great for small groups! Registration for the video series can be found inside the book.

***The Art of Living* by Dr. Edward Sri**

Dr. Sri explores the connection between growing in virtue and living in authentic friendship and community, showing us that living virtuously is anything but boring! The book walks through each of the 4 cardinal virtues - prudence, temperance, fortitude, and justice - giving concrete examples and practical tips for growing that virtue in your life.

Magnificat Companion Advent 2025

A beautiful little devotional book, this gives a short reflection on every day of Advent, all the way until Christmas. Also included are the Stations of Advent, various blessings during the Advent and Christmas season, and other Advent prayers. A great book for someone who wants a simple devotional.

***The True Meaning of Christmas: The Birth of Jesus and the Origins of the Season* by Dr. Michael Barber**

For those curious about the biblical origins of the different elements of Christmas. Dr. Barber looks at many symbols and elements of Christmas that are taken for granted during the season, giving their biblical and historical developments. A great read for those who enjoy history, roots of traditions, and theology!
